Answer all questions below using the space provided.

This section is included in the Capital Budget pursuant to N.J.A.C. 5:31-2. It does not in itself confer any authorization to raise or expend fund. Rather, it is a document used as part of the Housing Authority's planning and management system. Specific authorization to spend funds for the purposes described in this section must be granted elsewhere, by a separate financing agreement, security agreement, by resolution appropriating funds from the Renewal and Replacement Reserve, or other lawful means.

1. Has each municipality or county affected by the actions of the authority participated in the development of the capital plan and reviewed or approved the plans or projects included within the Capital Budget/Program (this may include the governing body or certain officials such as planning boards, Construction Code Officials) as to these projects?

2. Has each capital project/project financing been developed from a specific plan or report and have the full life cycle costs of each been calculated?

3. Has a long-term (5 years or more) infrastructure needs and other capital items (vehicles, equipment) needs assessment been prepared?

4. If amounts are on Page CB-3 in the column "Debt Authorizations", indicate the primary source of funding the debt service for the Debt Authorizations (example - HUD).

5. Have the current capital projects been reviewed and approved by HUD?

Provide additional documentation as necessary.
